

Hi all.

1. A reminder that the next Parish Council meeting is this coming Tuesday 24th at 7.30 pm. The Grafham road safety campaign team will be there along with representatives from the A14 highways team who will be answering questions about the problems caused by their diversions and what actions they will be taking to alleviate them. We in turn will be reporting on what's been done to date and discussing the next actions proposed, since the last public meeting in the village hall.

2. Our thanks to our sturdy volunteers who've stood outside collecting information about the speed and volume of traffic using the village and to Alison & Phil for taking the time to pull this all together into a summary which is appended below. It's obvious that there are a large number of drivers (50% plus) who are happy to exceed the posted speed limit through the village, sometimes at dangerously illegal speeds.
