## **Want to help make Cambridgeshire safer?**

Cambridgeshire Police Authority (CPA) would like to hear from people across Cambridgeshire and Peterborough who want to help make the county safer. The Authority has launched a recruitment campaign to attract applicants for four of its Independent member posts. They want to hear from people who can represent a broad range of local communities and have the ability to challenge accepted views in a constructive way. Successful candidates will make a positive contribution to the Authority's core role: ensuring that Cambridgeshire has an effective and efficient police force. For more information, see the village website and to apply, please visit

[www.cambs-pa.gov.uk/vacancies.cfm](http://www.cambs-pa.gov.uk/vacancies.cfm)

or call 0845 345 4335. **Closing date is 3rd June.**

## Letter to the Editors...

**Thoughts regarding outline planning application,  
0801186OUT, for ten 2 bedroom cottages @ poultry farm.**

The demise of the current poultry farm with its hazards can only be welcomed by all in the village but despite all the negative attributes that are associated with the poultry farm; it is important that in our haste to remove the insult of the poultry farm from our environment, that the impact of this proposed development is carefully considered particularly because of various precedences that might be set.

Running the poultry farm as an eye sore, with it being a source of air, water and noise pollution will mean that we are all more ready to agree to any change of use. However all options should be considered by the village including that of the poultry farm being brought up to standard, so that the supermarkets that the farm is supplying aren't embarrassed by the association.

In summary, change of use will

- 1 set precedences for the development of agricultural land unless these are legislated for.
- 2 introduce more traffic into village and may change the rural aspect of the site.
- 3 impact on domestic amenities.
- 4 put more pressure on the water resources .
- 5 cause vermin relocation unless correctly eradicated.

All these factors need to be closely considered and caveats introduced where appropriate.

**The village only has until the end of the month to respond.** The application with the design statement etc is accessible from the Huntingdon District council

## View from the Pew!

**History was made in Grafham Church on 4th May**, the Sunday after Ascension Day. In Derbyshire, the passing of Ascension Day marks the beginning of the Well Dressing season. With an absence of a village well, there seemed only one option - and that was to have a 'font dressing' instead - a 'first' for Grafham. With Jill T and Hazel on the case, an idea was hatched to involve the congregation in creating some of the flower displays to deck the font. Before the service, Hazel and Jill T had assembled the main display - including a framed classical picture of Christ's Ascension. Everyone was

awestruck as they entered the church to see the flowing white ribbons coming down and the already magnificent display that fittingly symbolised the white cloud of the Ascension. Emily read the story of the Ascension and in the talk we heard about how Christ told his disciples that they would be sent out in the power of the spirit to spread the word of God to the ends of the earth. It is from the font that all newly baptised are sent out in that same power of the spirit to walk as Christ's pilgrim people. The congregation put together the final floral offerings around the base of the font and Jonathan blessed the font with a beautiful prayer that encapsulated the many uses of water, including that of baptism. The ceremony was made even more special as two of the children who are soon to be baptised were with us in the congregation. If you didn't see the font in all its glory, you missed an amazing sight! But, apparently this was only a practice run! Rumour has it that next year we will be having our very own well-dressing - now we've discovered that the village well was just outside the church gates!

**History continued to be made** as we had our first 'Birthday Club' in this service. Five members of our congregation had birthdays in May - so our new club got off to a great start! Any member of our congregation who has a birthday during the month will be receiving a card and small gift from All Saints.

**History was also made in Grafham on 10th May** with the Model Railway Show in the Village Hall. The proceeds from this 'first' for Grafham have been very kindly donated to the Save All Saints fund towards repairs to the crack in the church. At the time of writing, we hear that the exhibition raised £500! Our grateful appreciation goes firstly to Keith who worked so hard to put this show together and also to all those who generously gave of their time to make it such an enjoyable event. Well done and thanks to you all.

Over the next few months several baptisms are planned with one of the youngest members of our regular congregation being baptised on 1st June within the usual Family Service. If you are new to the village or staying locally as part of a holiday we would love to share our worship with you. Please don't be shy about coming through that door - we really enjoy having visitors or newcomers here at Grafham All Saints and we also encourage 'feedback' and ideas about the services we offer. \* We also welcome those exploring or questioning their faith.\*

*'For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened'*

## Busy Time Ahead for the Grafham Wildlife and Conservation Group

In October 2000 the Grafham Wildlife and Conservation Group (GWCG) started to manage one woodland on the outskirts of Grafham. Over the last seven and a half years it has increased to seventeen, three of which are sites of special scientific interest. GWCG has been instrumental in setting up and managing the Grafham Woodland Corridor, the purpose of which is to allow wildlife to travel between woodlands, and also to increase the population of rare wildlife such as dormice. During the last five years GWCG has taken many people into the woods for traditional woodland management skills days, wildlife identification days, survival weekends, plants and flora identification days and guided walks. Last year the group gained funding to set up a Historical Pictorial Display, showing old photographs of village life, buildings and more, covering Grafham and surrounding villages. This has become very popular and surpassed all expectations. We have also established a special relationship with the villages concerned and raised over £700 in donations for the village churches. Every summer our founder Sam Malt takes evening guided walks around local woodland and has introduced a vehicular guided safari for disabled people. (Contact Sam for details.) This year with the help of a grant from "Awards for All" we have been able to purchase a tent which will allow us to set up outside displays to promote the GWCG and its activities, the first of which is at Ellington Gala on Saturday 28th June. Why not come along and see the sort of things we get up to. All the above means the we are very busy. All the work we carry out is voluntary with no charges made to landowners. The group runs solely on donations and grants raised by volunteers.

We turn out every Sunday, SO if you would like to know more about GWCG or would like to help on a work party or any of the group activities. Contact Sam on 01480 811654 (evenings) or 01480810844 (days) or take a look at our website at [www.grafhamconservationgroup.com](http://www.grafhamconservationgroup.com)

Events: **Tues 20th May** - Brampton RAF, promotion of GWCG. **Sun 1st June** - Easton Parish Church, Historical Pictorial Display. **Sat 28th June** - Ellington Gala. **Sat 29th / Sun 30th July** - Great Staughton Parish Church, Historical Pictorial Display. **Sun Sept 7th** - Grafham Church Historical Pictorial Display. Guided Walks - contact Sam for details.

The Grafham Wildlife and Conservation Group works closely with the British Trust for Conservation Volunteers (BTCV), Natural England, the Peoples Trust for Endangered Species, Anglia Water, Huntingdonshire District Council Countryside Services, Farming and Wildlife Advisory Group (FWAG), Community Service, farmers and landowners.

**PARISH NEWS...** May 2008 The Annual Parish Meeting took place on Tuesday 13th May. At this meeting, the District and County Councillors, Mrs Patricia Jordan and Mr Peter Downes presented their annual reports. The full reports can be found on the Grafham Village website together with the Chair's review of the year for the Parish Council.

At the Annual General Meeting of the Parish Council that followed the APM, Philip Allingham was unanimously re-elected as Chair. Mike Tyler was unanimously re-elected as Vice-Chair. There is still a vacancy on the Parish Council as there were no candidates for the election requested on 1st May. This means that a further election is planned for 12th June 2008.

A tree survey has taken place and the report supplied has suggested that the first two rows of trees on the north side of the proposed site of the all-weather sports facility can be removed. Twenty-six of these trees can be re-sited among other trees on the boundary.

The Parish Council will be requesting a police speed check along the Buckden Road past the Grafham Water car park. This is in response to a request from a resident. In addition, regular police speed checks in the village will be requested when work on the A14 improvements commences and there is potentially an associated increase in traffic flow.

The Parish Council has received a letter from the Energy Saving Trust. The village can request a programme of activities to launch an initiative called "Village Green", which will give, among other things, the opportunity for free energy checks in homes. Cllr Tyler will be investigating the possibilities for Grafham.

Grafham Water Tower has been sold by Anglian Water and it now belongs to a company called Fields and Towers. Their main activity appears to be the siting of telecommunications equipment. However, the Parish Council will write to them to ask what their intentions are concerning the water tower. It may be time for Grafham Action Group to reform!

Cllr Goodwin has arranged a "Compost Giveaway" in conjunction with the District Council and more detail is to be found on the front page of this issue of the *Grafham Gossip*.

**Margaret Life**, clerk to the PC

An extraordinary meeting of the Council will take place on Tuesday 20th May 2008 in order to discuss a planning application. (**Chicken farm's planning application 0801186OUT for 10 holiday lodges, see 'Letter to the Editors'. contact Huntingdon District Council for details. Ed.**)

*Full minutes can be found on the village website. The date of the next meeting is Tuesday 10th June at 7.30*

## Grafham Cricket Club

The cricket season has started, and Grafham's first game was against newly promoted Bedford 1 at Grafham. The

weather played its usual game of hide and seek; first showers then sun, would the square be dry enough to play on? It was. Following Grafham's tradition, vice captain, captain for the day Ben Dickson duly lost the toss, and Grafham was put into bat. Nobody was sure how the batting pitch would play, but a confident opening partnership by Ian Dickson and Adam Dighton put on 37 for the first wicket. Although Grafham steadily lost wickets, the innings was built around Adam's confident innings of 64, which was ended by a difficult catch taken on the square leg boundary. Grafham's innings closed on 134 for 9 after 40 overs.

Grafham's opening bowlers of Adam Dighton and Chris Brown bowled a tight line and length and restricted Bedford 1 to fewer than 50 runs; off 20 overs, Adam finishing 19 for 3 off 10 overs and Chris 23 for 1 off 10 overs. Ben Dickson took over the bowling and continued the good work finishing 14 for 4 off 7 overs. Bedford 1 finished their innings on 84. Grafham won by 50 runs.

The second match also at home against Great Barford, a team relegated from the division above. On a hot and humid afternoon Grafham batted first. A majestic 58 by Colin Grundy, loose bowling by Gt Barford which piled up the extras and contributions from the rest of the team meant that Grafham were all out for 178 off 34 overs.

Grafham's opening bowlers Chris Brown and Ben Dickson bowled well, with Chris finishing 21 for 3 off 9 overs, and Ben for the second week running on a hat trick, which like last week he was not able to achieve; finished on 27 for 3 off 7 overs. The Great Barford tail was bowled out by Jack Sene and Chris Dighton, with Jack finishing on 14 for 1 off 5 overs, and Chris Dighton 11 for 2 off 3 overs. Great Barford's innings finished on 77, with Grafham winning by 101 runs. A memorable start to the season.

Next home fixture is against Riseley on 31st May 2008. Please find the time to come and watch us. We do not have any home games in June.

## NEIGHBOURHOOD WATCH May 2008

I am pleased to report that no incidents have been reported in the last month within the village.

Our neighbouring villages have not been quite so lucky:

**Brampton** 1st May A black Audi A3 left locked and secured had its windows smashed and items were stolen.

**Hinchingbrooke Park** A popular place for youths to gather in the evening, but resulting in damage, litter and rowdy behaviour. Broken glass has caused many dog owners to report to the rangers that their dogs have had badly cut paws due to bottles and glass being smashed. Also cars racing around causing a disturbance.

The police are again going out to crackdown on underage drinking through the whole area covered by our scheme.

**Huntingdon and Godmanchester** An increase in bike thefts and bin fires throughout.

If you are going on holiday you can register jewellery and other items of value free on [www.imobilise.com](http://www.imobilise.com) and improve your chances of getting it returned.

Huntingdon Police have a range of leaflets available to give guidance and you can obtain these from the main Police Station or call 0845 4564564 and ask for NPT Office Huntingdon.

Finally, I have been asked to remind everyone about where you leave your car keys - this should never be by a window or door, which apparently is the most common place.

## Model Railway Show takes Church Fund over £2000

On Saturday 10th May over 200 people visited a Model Railway Show to raise urgent

funds for Grafham's Parish Church. Not only were there five working layouts on show, but also Val Hunt and her team provided a "buffet car" service. The ladies of our village had been asked to bake cakes and with the extra bonus of cakes from the Ellington and Grafham WI, a total of £180 was raised without a railway sandwich in sight!

The show had been organised by Keith Gowen, whose own layout was also on show and kindly supported by St Neots Model Railway Club. Those who visited found a friendly, happy atmosphere for many had never been to such a unique event before, particularly in our village. Publicity had been far and wide including Jane Smith mentioning the event on her Radio Cambridgeshire programme early on Saturday morning.

Both Keith and Val would like to sincerely thank all those who helped in many ways and particularly those who attended as a wonderful, grand sum of over £500 was raised and sent to the **Save All Saints Association**.
